1974

The 1974 Eagle Hi-Life is dedicated to Mr. Green. Mr. Green, fondly called "Ed" by the students came to Fayette in 1948. General Livestock and Dairy Judging teams advised by Ed Green have brought home high placings from district, state, and national levels. In 1954, the General Livestock judging team was the number one in the state and a gold medal winner at the National FFA Convention in Kansas City. Then in 1971 the Dairy Team won the state and was also a Gold Medal winner at the national convention. This Dairy Judging team took numerous honors at the North American Dairy Shows and Wilmington College competition. In 1972 another Dairy Team ranked 3rd in the state and 5th in the Eastern States Exposition.

The Land Judging Teams have ranked high in District competition several times. There have been 15 to 20 young men who received the State Farmer Degree. There were Three American Farmers - FFA's highest possible individual achievement during Ed's stay of 26 years. We appreciate this dedicated individual.

The Editor

A special thanks goes to Mrs. Green for providing information to the staff.

The Place

Time to relax.

Get to class!!!

Working hard?

Do ya get it?

Take your time, the bell rang 5 minutes ago.

Spirit!!

Tim Rutherford, Really?

Typical 8th graders!!

What's in the box?

Hard at work in the Media Center????

I don't believe it!!!

Seniors working a - a disgrace.

Boredom and Disgust.

who needs more power plants anyhow!

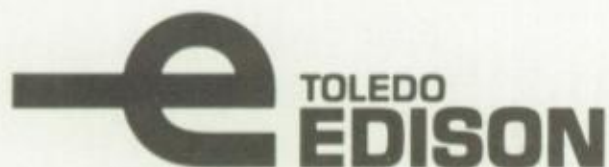

You do.

If you want to use the products you own today and will own tomorrow. Most are powered by electric energy.

If you want to work. Every job requires the use of electricity in some form.

If you want to live in a quality environment. Most pollution control equipment runs on electric power.

You need power plants . . . for all your wants.
